3. Completed principal recommendation form

A student may enroll in any of the high school programs until May of the year he/she attains 18 years of age. A completed parent/guardian consent form, principal's recommendation form, and an updated official high school transcript must be submitted PRIOR to the beginning of EACH semester he/she wishes to attend. These forms are available in Admissions and on the LSUA website at [www.lsua.edu](http://www.lsua.edu). Failure to submit the forms in advance of registration will cause delay during registration. Once the student becomes ineligible to continue in the high school programs, he/she should contact Admissions for information regarding application procedures for admission to a regular degree program.

Students enrolled in one of the programs for high school students pay the regular LSUA tuition rate and are not eligible for federal financial aid. Please visit our website at [www.lsua.edu](http://www.lsua.edu) for current tuition rates.
